Hi Richard, I hope you are well. I will be sending you two further emails which contain all the documents for the formal submission of the Kings Cliffe Neighbourhood Plan.

Below is a list of contents of each email attachment. We would really appreciate it if you could let us know an approximate timescale for your examination to enable us to manage our expectations and our NP timetable going forward.

Any questions, just shout!

Two emails to follow, please let me know if you have any difficulty with any of the files.
