Subject: RE: Hargrave Neighbourhood Plan Reg. 16 Consultation

Hi [REDACTED]

Thank you for consulting us on the Regulation 16 Consultation of the Draft Neighbourhood Plan for Hargrave.

Based on the environmental constraints within the area, we have no detailed comments to make in relation to the Plan.

We are encouraged to see a policy on sustainable infrastructure (Policy HN8) which should be enough to suitably manage growth in the village. If at any time there is not sufficient capacity in the water infrastructure then we must be consulted again with alternative methods of disposal (i.e. if connection to mains is not possible).

Kind regards
