Dear Anne

Application for Designation of a Neighbourhood Area under the Neighbourhood Planning (General) Regulations 2012 Part 2 (5)

Thrapston Town Council hereby applies for designation of the following area to be subject of a Neighbourhood Development Plan under the above regulations.

Section 5 (1) (a) Application Area

The area outlined in red on the attached plan is the area to be designated representing the whole of the parish of Thrapston.

Section 5 (1) (b) Appropriate Statement

The area is considered appropriate for designation as a Neighbourhood Plan Area for the following reasons:

- Thrapston Town Council considers the whole of the parish to be an appropriate area. This is to ensure any policies that are developed will have weight within the plan.
- The allocation of sites for housing, employment and community facilities across the parish will have an impact on the delivery of the Neighbourhood Plan aspirations and therefore the whole parish should be included in the designated area. The Neighbourhood Plan will be in conformity with the emerging The Local Plan Part 2 and other relevant made Plans.

Section 5 (1) Qualifying Body

Thrapston Town Council meets the criteria of a relevant body by virtue of the Town and Country Planning Act 1990, section 61G (2) (a) as amended by the Localism Act 2011.

Yours sincerely

L. Marshall
