Examination of East Northamptonshire Rural North, Oundle and Thrapston Plan (DPD)

Hearing Agenda – Lilford (Day 7 PM2)

1. How do the glasshouses and the walled garden adjacent to the south western boundary of Lilford (near Wigsthorpe Road) relate to the settlement?
2. Is the evidence sufficiently strong to warrant amending the proposed settlement boundary to include the glasshouses and the walled garden area?
3. In view of the above questions and the RNOTP and NNCSS, is the evidence strong enough to show that allocating the area referred to for residential development would be sustainable and appropriate?
