

SCHEDULE OF PROPOSED CHANGES TO THE RURAL NORTH, OUNDLE AND THRAPSTON PLAN AND PROPOSALS MAP

Erratum – 18 May 2009

In respect of proposed changes reference U012 and U097, the following changes to the Schedule of Proposed Changes and associated ~~strike through~~ Plan document will replace the text in the 15 May versions of these documents:

U012

A draft revision to the LDS timetable was prepared and submitted to the Government Office (GOEM) as part of the December 2008 Annual Monitoring Report. The review of the RNOTP is scheduled to commence during late 2010/ early 2011.

U097

Under the legislation (Planning and Compulsory Purchase Act 2004) and associated regulations, the Proposals Map is classified as a separate document to the Rural North, Oundle and Thrapston Plan (RNOTP), within the Local Development Framework. The Adopted Proposals Map shows areas of protection, e.g. statutory land use designations, areas at risk of flooding and allocated sites for specific land uses and development proposals. It forms a critical tool in explaining and understanding specific policies and proposals in the Plan. For practical reasons, a copy of the Adopted Proposals Map as this relates to the RNOTP area has been bound into the printed RNOTP document but it does not form part of it. After the next DPD applying to East Northamptonshire has been adopted the Proposals Map will need to be amended to cover the proposals in that document also. It will thereafter be kept as a separate document within the LDF.
