SEX ESTABLISHMENTS POLICY

1. Introduction

1.1 The Policy

1.1.1 This document states East Northamptonshire Council's policy on the regulation of Sex Establishments.

1.2. The Law

1.2.1. The Local Government (Miscellaneous Provisions) Act 1982 as amended; (The Act) introduced a licensing regime to control Sex Establishments. East Northamptonshire Council has adopted Schedule 3 of the Act. This means that the Council can control and regulate the operation of certain kinds of Sex Establishment within its District. No Sex Establishment can operate unless it has obtained a licence from the Council. Any such licence will contain conditions that will restrict how that premises may trade.

1.2.2 Under Section 17 of the Crime and Disorder Act 1998, local authorities must have regard to the likely effect of the exercise of their functions on, and do all that they can to prevent crime and disorder in their area. This policy has regard to the likely impact of such licences on related crime and disorder in the Borough.

1.2.3 Where applicable, the Council will involve the Community Safety Partnership(CSP) in decision making in relation to actual crime and disorder.

1.2.4 The Policy should be read in conjunction with, and without prejudice to, other existing National and European Union legislation, such as the Human Rights Act 1998; the Disability Discrimination Act 1995 and The Equalities Act 2010.

1.3 Current Premises

1.3.1 At present there are no Sex Shops or Sex Entertainment Venues situated within the East Northamptonshire Council district.

2. SEX ESTABLISHMENT LICENCE APPLICATIONS

2.1 Right to waiver

2.1.1 East Northamptonshire Council may, upon application, waive the requirement for a licence in any case where it considers that to require a licence would be unreasonable or inappropriate.

2.1.2 Each application for a waiver will be considered on its own merits, however, any establishment that would normally require licensing under the provisions of The Act is unlikely to be granted a waiver other than in exceptional circumstances.

2.2 Application Details

2.2.1 The Application will be required to make their application in accordance with Clause 10, Schedule 3, of The Act.

2.3 Fitness of the Applicant

2.3.1. An applicant must be a fit and proper person to hold a licence. In determining suitability for a new licence, or a transfer of an existing one, the Council will take the following into account:

- a) Previous relevant knowledge and experience of the applicant;
- b) Any evidence of the operation of any existing or previous licence(s) held by the applicant, including any licence held in any other District or Borough.
- c) Any report about the applicant and management of the premises received from statutory objectors.
- d) Any responses from statutory consultees.

2.3.2 Whilst every application will be considered on its merits, the Council will be unlikely to grant an application from any person, or for the benefit of any person, with unspent criminal convictions.

2.4 Impact of the Sex Establishment

2.4.1 In considering applications for the grant or renewal of licences or variations to conditions, the Council will assess the likelihood of such a grant, renewal or variation causing adverse impacts, particularly to local residents. The Council will take the following general matters into account:

- a) Type of activity;
- b) Duration of proposed licence;
- c) Layout and condition of the premises;
- d) The use to which other premises in the vicinity are put;
- e) The character of the locality in which the premises are situated. (This will include the likely character of an area as a result of redevelopment of that area).
- f) The cumulative impact of licensed sex establishments in the area, including hours of operation;

2.5 The Location of Premises

2.5.1 In accordance with relevant case law, the Council shall decide on the suitability of a particular locality for a Sex Establishment as a matter of fact to be determined by the particular circumstances of each case and not by the prescription of boundaries as stated on a map.

2.5.2 The Council is mindful of its power to determine that no Sex Establishment should be located in a particular locality

2.5.3 Notwithstanding the above, licences will only be granted in predominately commercial areas and the Council is mindful of its power to determine each application on its own merits. Applications will not normally be granted if they are to be within:

- a) areas that are exclusively, or predominantly, residential in character; or;
- c) near to a school or any other premises used by children or by vulnerable adults; or access routes to such premises, or;
- d) a publicly accessible open space that is regularly frequented by children or vulnerable adults, or;
- e) near to a place of worship; or access routes to such premises, or;
- g) areas that are likely to be adversely effected due to the cumulative impact of existing Sex Establishments.

3.1.1 In determining an application relating to a Sex Establishment licence the Licensing Panel of the Council will assess the application on its merits having regard to the content of this policy, the relevant legislation and any relevant guidance that may be issued from time to time.

4.1.2 Standard Conditions are detailed in Appendix A of this policy.

4.1.3 All licences will be granted, renewed, transferred or varied subject to these Standard Conditions unless expressly excluded or varied by the Licensing Committee.
