## East Northamptonshire Council Higham Ferrers Neighbourhood Plan response form

This form may be photocopied or downloaded from the website. Further printed copies can also be obtained from the Council. **Please return by 4.30pm on Monday, 17 August 2015.**

This form can be returned by e-mail to [planningpolicy@east-northamptonshire.gov.uk](mailto:planningpolicy@east-northamptonshire.gov.uk) or by post to Higham Ferrers Neighbourhood Plan Consultation, East Northamptonshire Council, Freepost NH 2352, Thrapston, Northamptonshire NN14 4BR. **Email is the Council's preferred method of receiving comments, as it will help us to handle your representation quickly and efficiently.**

Comments are invited, regarding whether the draft Higham Ferrers Neighbourhood Plan and supporting documentation fulfil the "**basic conditions**", as required by paragraph 8 (1) (a) (2) of Schedule 4B to the Town and Country Planning Act 1990 (inserted by the Localism Act 2011). If you wish to make comments about the draft Neighbourhood Plan, please specify which of the five "basic conditions" you are commenting on (see Q1, overleaf). Comments should set out a justification as to why you consider that the basic condition has **not** been met, or why you consider that the basic condition has satisfactorily been met.

All comments will be forwarded on to the appointed examiner for the Higham Ferrers Neighbourhood Plan. You should not assume that there will be an opportunity to add further information, although the examiner may request additional information from you, based on the matters he/ she identifies for examination.

The regulations require that any representations made during the consultation period for the Higham Ferrers Neighbourhood Plan must be submitted to the examiner together with a summary of the main issues raised. Therefore, comments cannot be treated as confidential. They will be attributed to source and made available as public documents, although personal addresses will not be made publicly available.

East Northamptonshire Council will consider all representations made if returned by the deadline. However, please note that late representations cannot be accepted.

**Q1** Five “basic conditions” form the statutory requirements for the draft Neighbourhood Plan. These require that the Neighbourhood Plan:

1. Has regard to national policy and guidance from the Secretary of State;
2. Contributes to sustainable development;
3. Is in general conformity with the strategic policy of the development plan for the area or any part of that area;
4. Doesn't breach or is otherwise compatible with EU obligations – this includes the SEA Directive of 2001/42/EC; and that
5. The making of the Neighbourhood Plan is not likely to have a significant effect on a European site (as defined in the Conservation of Habitats and Species regulations 2010(d), either alone or in combination with other plans or projects

[Please tick the relevant basic condition and submit a separate form for each of the basic conditions you are commenting on]

**Q2** Why do you consider that the draft Higham Ferrers Neighbourhood Plan and/ or supporting documents do/ do not meet the specified “basic condition”?

Please provide a brief summary of your comments.

Northamptonshire Highways considers that the Plan supports Policy 2 Connecting North Northamptonshire with Surrounding Areas and Policy 4 Enhancing Local Connections from the JCS and policy HF.TC3 is in broad conformity with the JCS.

The Plan in a wider sense is supportive of reducing the need to travel and encouraging people to use alternative modes to the private car which is all in line with the objectives of the Northamptonshire Transportation Plan and its daughter documents.

**Detailed explanation**

Please give further details of your opinion and the reasons for it (continue on a separate sheet as necessary).

Policy HF.H3 Higham East (future Growth) makes reference to provision of a safe and high quality link across the A6 between Higham East and land to East of Ferrers School site, the following sentence should be added to align with our strategic policy ‘while retaining the form and function of the A6’.

Policy HF.CD1 outlines the local infrastructure priorities for receiving developer contributions. For CIL in a wider context it should be noted that no mechanism currently exists for prioritising infrastructure needs across different public services and allocating funds to priority projects. The County Council is working with East Northamptonshire Council and other Local Planning Authorities to progress the CIL, part of which will be developing a robust mechanism and establishing appropriate governance arrangements to oversee the prioritisation of infrastructure across different services.

**Q3** The appointed examiner will consider all representations received by the deadline (**4:30pm, Monday 17 August 2015**). Normally, the examiner will seek to consider all responses through written representations. However, occasionally an examiner may consider it necessary to hold hearing sessions to discuss particular issues.

I would like to request to be heard before the examiner at the Neighbourhood Plan Examination [If you have indicated that you wish to attend the Examination, please explain why you consider this to be necessary. Please note that this is entirely at the discretion of the examiner]:
