5.0 Policy Considerations

- 5.1 This section highlights the elements of the licensing policy that are most relevant with respect to this application. This is not exhaustive and the policy should be considered fully prior to making decisions with respect to applications:-

- 2.12 This Licensing Authority will also have regard to wider considerations affecting the residential population and the amenity of any area. These include littering, fouling, noise and street crime.
- 2.13 In determining a licence application the overriding principle adopted by the Licensing Authority will be that each application will be determined on its merits. Only mandatory conditions and conditions relevant to the operating plan will be imposed except where relevant representations against an application are received. Where relevant representations are received then further additional conditions to meet the licensing objectives may be added provided they are appropriate, proportionate and reasonable and deal with the issues raised. Licence conditions will not be imposed where other regulatory regimes provide sufficient protection to the public (e.g. Health and Safety at Work and Fire Safety legislation).
- 2.14 In considering licensing hours this Licensing Authority will place significant emphasis on the individual merits of an application. In addition, the

views of the Police and other agencies will be important in this consideration.

6.0 Section 182 Guidance Considerations

Section 11.24 to 11.28 highlights the elements of section 182 Licensing Guidance that are most relevant with respect to this application. This is not exhaustive and guidance should be considered fully prior to making decisions with respect to applications.

6.1 Committee Consideration

Each application must be considered on its own merits and any conditions attached to licences and certificates must be tailored to the individual style and characteristics of the premises and events concerned. This is essential to avoid the imposition of disproportionate and overly burdensome conditions on premises where there is no need for such conditions. Standardised conditions should be avoided and indeed, may be unlawful where they cannot be shown to be necessary for the promotion of the licensing objectives in any individual case.

7.0 Legal Implications

7.1 A legal Officer will be present at the hearing to outline and legal matters that need to be taken into consideration.

8.0 Equality and Diversity Implications

Please state the ground(s) for review (please read guidance note 2)

I act on behalf of the Chief Officer of Police Mr Edens, he has delegated responsibility and authorised me to act on his behalf with regard to representations made by Northamptonshire Police to Licensing Authorities across the county of Northamptonshire.

I call for the Review of the Premises Licence for Luvly Jubly under the Licencing Objective of the Prevention of Crime and Disorder.

This Review will relate to Public Order incidents at the premises and a breach of the Premises Licence.

Please provide as much information as possible to support the application (please read guidance note 3)

At approximately 04:20am on Sunday the 20th of September 2015 a public order incident happened at Luvly Jubly. Police Officers were assigned to an area and were dealing with approximately 100 members of the public who had exited a licensed premises situated opposite Luvly Jubly. The licensed premises had stopped trading at 04:00am and customers were leaving with some making their way to Luvly Jubly to purchase food.

Police Officers describe the members of the public as peaceful, however some who enter Luvly Jubly become disorderly and a fight ensues. Due to the scale of the disorder the staff working at Luvly Jubly eject everybody from within, it is one Officers opinion that the staff had lost control of their customers, to support the Officers opinion it is stated that Door Supervisors who were still present at the licensed premises opposite have crossed the street to Luvly Jubly in an attempt to prevent further disorder.

The disorder continues outside and in the vicinity of Luvly Jubly, the Officer states that once all the customers were ejected and the disorder is in the street the staff re-open Luvly Jubly and allow customers back in. The Officer states that during the disorder there are over 30 people shouting and abusing each other and people not directly engaged in disorder were enjoying food that they had purchased from Luvly Jubly and loitering to view the spectacle, clearly re-opening the shop did not assist in quick dispersal.

The Officers opinion of this incident (taken from the E-mail sent to the Police Licensing Department) is that the later opening times of Luvly Jubly means that the people who exit the licensed premises opposite Luvly Jubly who have predominately been peaceful and have had plenty of space within the licensed premises then all try to enter Luvly Jubly at the same time, this in turn packs them in and people get annoyed with each other, causing what the Officer describes as a 'pressure cooker' and fighting ensues. Then the lack of access through the door for Police Officers or a suitable clear exit for anyone attacked inside and wants to escape appears to be unsafe.

The nature of this incident meant that Officers were at one stage almost surrounded by a hostile crowd and the Door Supervisors from the licensed premises also intervened to assist the Police Officers dealing with this incident, Officers had to draw their incapacitant sprays to keep the crowd at bay.

Two persons were arrested from this incident both for the offence of Drunk and Disorderly, contrary to section 91 of the Criminal Justice Act 1967.

As a direct result of this incident PC 113 D.Bryan and Mrs Groves East Northants District Council Licensing Enforcement Officer arranged to meet the Premises Licence Holder and his representative on the 29th of September 2015 also present were two representatives of a security company. The incident was debriefed and a way forward was discussed to promote the licensing objective of the Prevention of Crime and Disorder.

It was suggested by the police and agreed by the Premises Licence Holder that a condition was required to be added to the existing Premises Licence. This was done by way of a minor variation, the condition states:

On any day the premises remains open after 04:00am from 03:45am a minimum of two SIA registered door supervisors must be employed at the premises. On any day the premises does not employ SIA registered door supervisors, licensable activities shall cease at 03:45am and the premises shall close at 04:00am

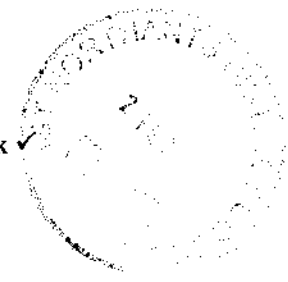

The police at the hearing can explain the rationale for this approach to the identified problem and the wording of the condition.

On Saturday the 9th of January 2016 at 04:05am Police Officers were alerted to a scuffle in the High Street outside Luvly Jubly. The attending Officers noticed that Luvly Jubly was still trading without any door supervisors being present. The Officer reports that the staff had turned the lights of the premises off both inside and out and the outside shutters were pulled only slightly down, however the counter was full approximately 2 deep with customers purchasing hot food, the Officer states that inside the premises were in excess of 15 persons. The Officer also reports that there was a large amount of people outside the shop and this is where the scuffle had taken place.

This in Northamptonshire Police's view is a clear breach of the Premises Licence, trading in licensable activity should have ceased at 03:45am as the premises were not employing door supervisors. The licensable activity of the provision of late night refreshment is the serving of hot food and drink, not the ordering or purchasing of the hot food and drink. In addition the premises should have been closed to the public at 04:00am, the premises still had in excess of 15 customers still inside at 04:05am.

The additional information in relation to this breach of the premises licence is that the condition was designed to prevent disorder at the premises and control customers within to avoid the repeat of the incident in September 2015. However Officers attended the premises as there was a 'scuffle' outside the premises between Luvly Jubly's customers.

Northamptonshire Police are requesting that the Licensing Sub-Committee of East Northants District Council consider a reduction in the hours of the Premises Licence to 02:00am, however when the Committee are considering this request take account of whether further conditions and times will have any effect when the existing conditions and times are not adhered to.

MEMORANDUM

To: Central Administration Unit

From: Rita Groves
Licensing Enforcement Officer
Environmental Services / Health Protection

Ref: Review application for Luvly Jubbly
80 High Street, Rushden, Northants NN10 0PQ

Date: 26 February 2016

In reference to the review application for the above premises I wish to make the following comments:

Due to police concerns over public order incidents happening at Luvly Jubbly, PC David Bryan and I visited the licence holder, Mr Batur at Luvly Jubbly on 24 September 2015. Mr Batur's Licensing Consultant and 2 owners of a security company were also present.

Although it was discussed that Mr Batur would find it useful to have door supervisors on Friday and Saturday evenings, Mr Batur's main concern was cost rather than safety.

Mr Batur therefore applied for a minor variation of his premises licence on 30 September 2015 adding the following condition which was agreeable to PC Bryan and the Officers at East Northamptonshire Council:

'On any day the premises remains open after 04:00, from 03:45 a minimum of 2 SIA registered door supervisors must be employed at the premises.
On any day the premises does not employ SIA registered door supervisors, licensable activities shall cease at 03:45 and the premises will close at 04:00'.

The licence was granted at the end of the 10 day consultation period.

On the evening of 4 December I visited the premises with PC Dougie Brown and PC Kelly Gadsden. At this visit Mr Batur advised that he cannot afford SIA registered door supervisors, so he closes the premises on time.

PC Brown had referred to another recent 'scuffle' that had occurred in the premises in previous weeks, however, Mr Batur denied this and stated that on that date customers were cleared from the premises and he had pulled down the shutters to stop further trouble.

Whilst working in the evenings, police officers have on a number of occasions mentioned their concerns to me over Luvly Jubbly and their concerns for the safety of the customers and staff.

When Fate closes, there can be up to 150 people in the High Street, with many of them wanting food and hanging around outside Luvly Jubbly waiting to be served. It is clear that 'scuffles' do take place and as per the Police statement after the 9 January 2016, a breach of the licence occurred and Mr Batur is not able to control these situations by himself.

I support PC Bryan's request to reduce the licensable hours at the premises, in order to stop further public order incidents and to protect staff and customers.
