Section 106 Agreements and Delegations to Head of Planning Services - Update Report

Purpose of report

To provide Members of the Planning Management Committee with an update on current Section 106 agreements where a deadline was imposed for completion and on applications where matters relating to the decision were delegated to the Head of Planning Services

Attachment(s)

Appendix 1: Table itemising current Section 106 (S106) agreements

Appendix 2: Table itemising delegated applications

1.0 Background

- 1.1 At previous meetings of the Development Control Committee held in 2012, it was agreed that a standard item be added to future agendas so that the Head of Planning Services could report on progress with regards to the drafting of S106 agreements in cases where the Committee had previously resolved to grant planning permission, subject to the prior finalisation of such an agreement and on the conditions or reasons for refusal in cases where delegated authority had been given at the previous meeting
- 1.2 In those situations where the process of drafting the agreement has taken longer than expected, it may be necessary for the Head of Planning Services to request an extension of time, with reasons for the delay, to enable Officers to continue negotiations accordingly. Appendix 1 indicates where this will be necessary.
- 1.3 The need to secure such extensions has arisen because the drafting process for recent S106 agreements has been completed within a few days of the deadline date.

2.0 Summary Tables

- 2.1 Appendix 1 includes details of current S106 agreements on hand, setting out progress to date and whether additional time may be required. Appendix 2 includes details of applications which had been delegated and sets out progress to date
