#### Attachment(s)

None

1. Secondary legislation made under the Local Government Act 2000 empowers the Board to consider and, in certain specified circumstances grant, dispensations in respect of Members of East Northamptonshire Council and the Town and Parish Councils in East Northamptonshire. The Board is asked to consider requests from two Oundle Town Councillors in accordance with the Relevant Authorities (Standards Committee) (Dispensations) Regulations 2002.
2. The Regulations prescribe the circumstances in which a standards committee may grant dispensations locally to Members and co-opted Members of relevant Authorities in England. If a Member or co-opted Member acts in accordance with the grant of dispensation, his or her participation in the business which would otherwise be prohibited by the mandatory provisions of the Authority's Code of Conduct, is not a failure to comply with the Authority's code.
3. A request for a dispensation has been received on behalf of a new Councillors, Lynda Purser, of Oundle Town Council in respect of the Queen Victoria Hall Charitable Trust. All Oundle Town Councillors are Trustees of the Queen Victoria Hall Charity by virtue of their office.
4. The Queen Victoria Hall Trust passed to Oundle Town Council on local government reorganisation in 1974 on the demise of the former Oundle Urban District Council. Responsibility for the Trust management rests with the Town Council and the Councillors are Trustees by virtue of their office for as long as they remain Councillors. All have an equal personal interest in the Charity, and as Trustees, they could have a personal financial liability in the unlikely event that the Council as the local authority were to resolve at any time not to defray the cost of the upkeep of the Hall. The other serving Town Councillors hold dispensations granted by the Board at its meetings on 9 July 2007, 4 February 2009 and 7 April 2010.
5. Following the Standards Committee (Further Provisions) (England) Regulations 2009 the grounds on which standards committees may grant dispensations to local authority members have changed. Unlike previously, the fact that dispensations have been granted to other Members of the Council is now ignored for the purposes of the 50% rule. As a consequence the Board is now able to consider granting requests such as this resulting from the appointment of new Councillors where the remainder of the Council has existing dispensations.
6. Since the granting of dispensations is specific to an individual it is suggested that the dispensation should be time limited to their expected term of office or four years, whichever ever is less.
7. The Board is invited to consider and determine the request.
